

Mediation Resource Center of Central Florida

Earth Angels United is a humanitarian nonprofit 501(c)3 organization dedicated to assisting those in crisis. The EAU Mediation Resource Center provides mediation services for those facing issues such as foreclosure, divorce, insurance, small claims, child custody, landlord-tenant disputes, and more.

What Is Mediation?

Mediation is a process by which a neutral third party assists in bringing together and negotiating a voluntary, fair agreement between two parties who are in dispute over an issue. A mediation agreement can cost thousands of dollars less than going to trial and is an excellent option for parties that mutually agree to participate.

Who Can Use the Center?

The services of the Mediation Resource Center are available to all central Florida counties and for all types of mediation including foreclosure, small claims, family, divorce, circuit civil, insurance and dependency. It is an affordable public resource with the flexibility to offer rates and compliance elements to serve the needs of private individuals, lenders, county and state agencies.

What Types of Mediation are Available at the Center?

Real Estate Mediation	Foreclosure, tenant/landlord disputes, mortgage mediation, etc.
County/Small Claims Mediation	Small claims, credit card dispute resolution, etc.
Family Mediation	Child contact, schedule for parent/child, child support, etc.
Divorce Mediation	Goal for many is to achieve a mediation agreement to be able to file an uncontested divorce.

Construction Mediation	Disputes, damages, etc.
Insurance Mediation	For property & casualty claims.

Where Will the Session Be Held?

Mediations currently function out of several temporary locations in Orange and Seminole County, and we are in the process of selecting a new permanent facility to meet community needs. Depending on the type of mediation you need and your county of origin, our facilitator will select the most convenient and appropriate location available to you.

What are the fees for Mediation?

Mediation at the Center is offered in 90-minute blocks at the rate of \$250 per session. The Center has great flexibility to set up truly supportive ongoing relationships with lenders and agencies that are in need of a designated regional location. Custom rate/fee structures can be tailored to fit the needs of these agencies.
